

Ayush Garg

B.Tech Computer Science & Engineering Student

Firozabad / Shikohabad, Uttar Pradesh, India

GitHub: github.com/codewithayush15 | LinkedIn: linkedin.com/in/ayush-garg-454057390/

PROFILE

Computer Science and Engineering student with a strong academic record and a growing interest in web development, programming, artificial intelligence, and computer security. Currently building responsive portfolio projects and strengthening practical programming skills.

EDUCATION

B.Tech — Computer Science & Engineering — FS University, Shikohabad

Second Year / entering 3rd semester • 2025–Present

Academic Achievement: CGPA above 9.5 in first year.

TECHNICAL SKILLS

- **Programming:** C, problem solving, algorithms, arrays, linked lists, functions
- **Web Development:** HTML, CSS, JavaScript, responsive design
- **Tools:** Visual Studio Code, Git/GitHub, MSYS2/GCC
- **Computer Science:** AI fundamentals, computer system security, cyber security concepts

PROJECTS

Responsive Personal Portfolio Website

- Designed and developed a responsive personal portfolio using HTML, CSS and JavaScript, including navigation, hero, skills, projects, contact form, social links and animations.

C Programming Practice

- Built console-based programs covering arrays, algorithms, Fibonacci series, mathematical formulas, duplicate-element handling and other problem-solving exercises.

COURSEWORK / AREAS OF INTEREST

- Data structures and algorithms
- Artificial Intelligence for Engineering
- Computer System Security and Cyber Security
- Web development and responsive UI design

STRENGTHS

- Strong academic performance and willingness to learn
- Practical, project-based approach to programming
- Interested in improving problem-solving and development skills
